Good Neighbor Car Seat Safety Event

Safe Kids Worldwide® and State Farm® are teaming up to bring car seat safety to local communities through the Good Neighbor Car Seat Safety Program, a **FREE** event aimed at protecting young passengers and empowering caregivers with life-saving knowledge.

In partnership with the Washington Ozaukee Public Health Department, this event provides families with the opportunity to:

- Work one-on-one with a certified car seat technician
- Learn how to properly install their car seat(s)
- Have their current car seat(s) inspected for proper installation
- Receive a free car seat(s) — while supplies last

According to the National Highway Traffic Safety Administration, correctly installed car seats reduce the risk of fatal injury by up to 71% for infants (younger than 1 year old) and 54% for toddlers (1 to 4 years old). The Good Neighbor Car Seat Safety Program ensures parents and caregivers have the support they need to keep their children safe on the road.

Date: Monday, September 15, 2025

Time: 9:00 am – 12:00 pm

Location: Washington County Highway Department
900 Lang St
West Bend, WI

Registration is required and ends on September 8, 2025. For more information about this event or to register, visit: <https://wophd.readyop.com/fs/4cDL/827c11fa> or call 262-284-8170.
